2. The ~~Corporation-University~~ shall not block email communication coming from Union representatives.
3. Union representatives shall be permitted access to the University property for the purpose of communicating and meeting with unit members, provided ~~they comply with all University rules and policies regarding access to University property and provided further~~ that they should not disrupt University operations. ~~Upon request, the Corporation University will make available to the Union copies of or links to relevant policies regarding access to property.~~
4. The Union may arrange for the use of University conference rooms and meeting space for Union meetings and events, as space is available, at no cost to the Union upon prior request by the Union. However, the Union acknowledges that services associated with certain spaces on campus may require that a fee be paid by the Union consistent with what other organizations within a given school must pay. The ~~Corporation-University~~ posts information on charges for certain rooms but, upon request, the ~~Corporation-University~~ will provide the Union with particular information on any particular meeting space. The Union agrees to comply with all University rules and policies regarding reservation and use of such facilities.
5. The Union shall have access to space designated by the ~~Corporation-University~~ on bulletin boards in University Schools, Departments, Programs, Institutes, and Centers that employ bargaining unit employees. All postings by the Union shall be done in accordance with University and/or School rules and policies regarding access and approval required for bulletin board use on the campus.

Section C. Onboarding and Orientation

1. The ~~Corporation-University~~ shall provide the Union with the names and contact information of persons responsible for scheduling new faculty and staff orientations (whether in person or virtual) at which new bargaining unit members will be present. The ~~Corporation-University~~ shall provide the Union this contact information and the date of the orientation at least fifteen (15) business days prior to the orientation.
2. The ~~Corporation-University~~ shall provide the Union with a thirty (30) minute time slot as the last item of the orientation. The orientation program distributed to the attendees shall reference the Union's presentation. The Union is free to distribute a packet of Union materials at orientations. For virtual orientations, the ~~Corporation-University~~ shall provide the Union a list of email addresses of new Employees in attendance for the purpose of electronically distributing such materials.

Section D. Following ratification and approval by the parties, the ~~Corporation-University~~ shall publish the collective bargaining agreement on a designated website.

ARTICLE XX. UNION ACCESS & RIGHTS

HAW-UAW Counter Proposal June 16, 2025

1. At the beginning of each academic year, the Union shall furnish the ~~Corporation-University~~ with a written list of officers and other authorized representatives and shall update the list when changes occur. The ~~Corporation-University~~ shall deal with such individuals as representatives of the Union for the purposes of investigating, presenting and settling grievances in accordance with the provisions of the collective bargaining agreement. The ~~Corporation-University~~ shall be under no obligation to deal with any other purported representatives who are not on the written list.
2. Such officers and other representatives shall be provided reasonable release time with no loss of pay to administer this Agreement, including, but not limited to investigate, present, and process grievances on University property during regular working hours, and provided they ~~inform~~ provide reasonable advanced notice to their supervisor before leaving their worksite. ~~However, the supervisor, in their reasonable discretion, may deny permission to leave for operational or staffing reasons. Such permission will not be unreasonably withheld.~~ Leave shall not be unreasonably denied. Union representatives shall have access to Employees' work spaces for such purposes, except for classrooms while class is in session, certain research labs or other areas designated by the relevant department, Institutional Animal Care and Use Committee or the Environmental Health & Safety department as restricted due to safety concerns, and provided such designation shall not be made in a manner that discriminates against the Union. ~~Under no circumstances shall Union representatives interfere with programs, operations or the work of Employees or other University employees.~~
3. The Union shall designate members of the HAW-UAW Bargaining Committee and provide their names in writing to the ~~Corporation-University~~ by December 1 of the calendar year before the Agreement expires.
4. These Bargaining Committee members shall be provided release time with no loss of pay and permitted reasonable time, including travel time, to attend scheduled bargaining sessions and Bargaining Committee meetings, provided they provide reasonable advance notice to their supervisor before leaving their worksite. Leave shall not be unreasonably denied.

Section F. The Employer shall allocate 5.0 FTE for the purpose of fulfilling and enforcing this Agreement ~~service to the profession~~, to be distributed to Employees as directed by the Union.
