Section ~~M~~G. Minima for FAS and HMS Postdoctoral Researchers

The parties intend to achieve parity between the minima for FAS Postdoctoral Researchers and HMS Postdoctoral Researchers in this Agreement.

1. The minimum for FAS Postdoctoral Researchers shall be as follows:

FY 26 67,600
FY 27 74,000
FY 28 increase FY minimum by ½ the ATB for FY 28
FY 29 increase FY minimum by ½ the ATB for FY 29
FY 30 increase FY minimum by ½ the ATB for FY 30
FY 31 increase FY minimum by ½ the ATB for FY 31

2. The minimum for HMS Postdoctoral Researchers shall be as follows

FY 26 72,000
FY 27 74,000
FY 28 increase FY minimum by ½ the ATB for FY 28
FY 29 increase FY minimum by ½ the ATB for FY 29
FY 30 increase FY minimum by ½ the ATB for FY 30
FY 31 increase FY minimum by ½ the ATB for FY 31

3. **Compression adjustments**. Due to the significant increase in the minimum for FAS/SEAS postdoctoral researchers, there shall also be a compression adjustment for FAS/SEAS postdoctoral researchers that will take effect simultaneously with the new FY 27 minimum for FAS/SEAS postdoctoral researchers. This is designed to recognize years of service for current FAS/SEAS postdocs. Such adjustments shall be determined as follows:

   a. Current postdocs will first have their salary adjusted by the across the board increase for FY 27

   b. Then, their years of service will be multiplied by 1%. (e.g. three years of service equals 3%)

   c. The resulting number in (b) will be applied to the new minimum salary of $74,000. If the resulting number is less than their FY 26 salary plus their ATB increase for FY 27, their salary will be adjusted upwards accordingly. If the resulting number is more than their FY 26 salary plus their

~~ATB increase for FY 27, they will not receive a compression adjustment.~~

~~i. For example, post doc with 4 years experience making $72,000 in FY 26. A 3% ATB increases salary to $74,160.~~

~~ii. Then, multiply new minimum of $74,000 x 4% to reflect 4 years' of service. Result is $76,960. The post doc will have their salary adjusted upwards to $76,960.~~

~~d. This compression adjustment will only apply to the first year of the Agreement and will have no further effect after that first year. There will be no further compression adjustments after the first year of the Agreement.~~

Section ~~M~~H. Special Provisions

1. Part-time teaching rates for lecturers and instructors in HDS shall be as follows ~~(reflects 3% increases)~~:

   a. ~~$12,000~~ ~~$13,225~~$12,880 per four credit course ~~upon ratification~~ in AY26–27

   b. ~~$12,360~~ ~~$13,886~~$13,299 per four credit course in AY27–28

   c. ~~$12,731~~ ~~$14,580~~$13,731 per four credit course in AY28–29.

2. FAS and HMS part time teaching rates.

   a. Part time teaching minimum rates shall be a pro-rated salary based on whatever the full-time teaching load is in that academic unit for the full-time equivalent. For example, if a lecturer is hired to teach one course a semester and the regular full-time load for a lecturer in that academic unit is four 4-credit courses per year, then the part-time lecturer will be paid 0.25 of the minimum full-time salary for lecturers (.22 of the minimum in HMS).

   b. HMS Temporary Course Instructors shall be compensated at no less than the Teaching Assistant yearly rate, pro-rated per course.

c. HMS Course Leads shall be compensated at no less than the Lecturer I yearly rate, pro-rated per course.

3. Annual Lecturers shall be compensated at the same rates as Lecturer I ~~and be eligible for step increases based on length of service~~.

4. Briggs-Copeland Lecturers shall be paid no less than the minimum for Lecturer III.

5. Academic Directors shall be paid no less than the minimum for Lecturer II

6. Research Fellows shall be compensated no less than the minimum for Senior Postdoctoral Research Fellows

7. Postdoctoral Researcher, Specialist (HMS Only) shall be compensated no less than the minimum for Senior Postdoctoral Research Fellows

8. HMS Instructors shall be compensated at no less than the ~~Lecturer II~~ Senior Postdoctoral Research Fellow rate.

9. For certain bargaining unit positions where there are no minimum starting salaries, the Corporation and Union will bargain over the salaries for those positions.

~~***10.* Promotion increases**. The following **minimum** increases will be provided for promotions:~~

~~Lecturer I to Lecturer II: 3% increase to base~~

~~Lecturer II to Lecturer III: 3% increase to base~~

~~Postdoctoral Researcher to Senior Postdoctoral Research I 3% increase to base~~
~~Senior Postdoctoral Researcher to Research Scientist 3% increase to base~~

~~Research Scientist to Senior Research Scientists 3% increase to base~~
